Kinnarps Group is pleased to invite you to **WORKPLACE WELLNESS**, an exhibition concept by **Nichetto Studio**, interpreting the trends from our new **Trend Report 2015**, alongside a revitalizing food concept by **Arabeschi di Latte**.

Welcome to our oasis right into the heart of Brera. If you want to sit down to work, enjoy tasty and healthy refreshments or just be pampered, you are welcome to a warm and relaxing environment where you can escape the hustle and bustle of the city.
